BABA ATTAR HOUSE

Since our inception in the year 1994, Baba Attar House has worked towards achieving fragrances that would hold good the aforementioned quote.

Founded by Late Anwar Warsi, Baba Attar House began its journey with a vision to create timeless fragrances rooted in tradition yet inspired by the world. Today, the legacy is carried forward by Director Sohel Warsi and Managing Director Uzair Warsi, who continue to uphold the same passion, dedication, and craftsmanship.

After 25 years of laying down the foundation stone, we stand proud as the flag-bearers of fragrance export in Uttar Pradesh. We supply our products to over 50 trusted dealers, with our clientele scattered all over India.

Our muse is to unite the cultures of the world. Our fragrances are inspired by the simplest of elements from cultures near and far. Baba Attar House has based its work in an attempt to make the world a better place to live. While everyone has their own way, ours is through olfactory stimulations.
